TRACK-DAZE

- All riders are to enjoy the event and have fun. Riders that are too serious may be asked to leave. Riders who spoil the fun for others may also be asked to leave.
- Only riders who have a minimum of 6 months regular riding experience may enter.
- The organisers reserve the right to disqualify a rider from the event without refund if the rider is proving to be a safety hazard as per the organisers' opinion.
- No overtaking is allowed on the inside on the entry into a corner if the rider and the motorcycle are already leaned over (no dive bombing). Overtaking after the apex on the inside is permitted as long as the passed rider is not pushed wide. Overtaking on the outside is permitted only if it does not cut off the passed rider (remember rule # 1).
- A motorcycle may be shared by two riders. This means that riders must ride in different groups / sessions and both riders must pay the full entry fee.
- Riders will not be permitted to ride on the track unless they attended the riders' briefing.
- Riders are only allowed onto the track during controlled sessions.
- Full one or two piece **leather** suits, gloves and proper motorcycle boots (no lace up's) & full face crash helmets must be worn whilst on the track. No other type of gear will be allowed. If a cow or kangaroo didn't die for your suit, it isn't good enough.
- Motorcycles without scrutineering stickers will not be allowed on the track.
- Riders may not stop on the track unless there is a mechanical breakdown of the motorcycle. Crashes & mechanical breakdowns will be handled by the marshals.
- If mechanical problems are experienced the rider is to stop as far as possible away from the track.
- The end of each session will be indicated by a chequered flag. After passing the flag, enter the pits using the pit entrance only. Do not do any more laps.
- Riders must only use the main entrance into pits when leaving the track.
- No alcohol may be consumed at any time during the event.
- If a rider is leaving the track to enter the pits, they should stay off the riding line of the bend before the pits and signal their intention by raising the left hand before the last bend.
- Any motorcycle displaying poor handling characteristics will be excluded from the event.
- No wheelies or endo's are allowed in the pits & pit roads or on the track.
- Riders who are attending their first track school ever will be required to enter in the "Slow" group. You will have to attend one class room session that is **COMPULSORY**. Non attendance equals no riding.
